*TDC Fees: There are no School or Columbia County School Board of Education (CCBOE) funds available to assist student athletes with equipment, uniforms, travel, food, and every other aspect of the game that involves competition. Evans Knights Touchdown Club is charged with the obligation of helping our student athletes and coaches. For this reason we need your support to provide the tools necessary to compete with the best programs around the state of Georgia. Our student athletes and coaches appreciate your continued support and your commitment to our winning tradition. GO KNIGHTS!*
